Otherwise if you click on bottom "B" "**TECNICHAL DOCUMENTATION**", you can even check & consult any kind of technical information following the relating instructions.

EMEA \_ Italy Plant YR 2016

Now write the "**K / Spec**." number in the dedicate square "A" or the serial number engine **s/n** in square "B" as showed on picture #9 (see pag. 10 to more details about them), then click to "**VIEW CATALOGUE**" "C" to access in spare parts list.

Before to do that, remember always to check if your language "D" is set.
